*...a community
development program
from Tri-County
EMC.*

Dear Applicant:

Thank you for your interest in Operation Roundup and the Tri-County EMC Foundation. Operation Roundup is a community development program funded by the voluntary contributions of Tri-County EMC's customers to the Tri-County EMC Foundation. Contributions are made to the foundation when participants elect to have their monthly electric bill rounded up to the next dollar. Charitable donations are made quarterly by the foundation to worthy projects and needs within the eight-county Tri-County EMC service area. Organizations can apply to the foundation's nine-member board of directors, who will award funds based on the worthiness of each application and available funds. These organizations can also apply on behalf of individuals residing within the eight county area. One-hundred percent of funds collected are returned to the community through donations from the foundation.

Attached is an application for funding. In completing your application, please consider the following criteria:

- *The maximum total contribution to an organization per year is \$10,000.*
- *Non-profit civic, religious, or government organizations are eligible.*
- *Applications must be for special projects or needs. Applications for contributions to an organization's general fund will not be accepted.*
- *Organizations need not be a member of Tri-County EMC to apply.*
- *The foundation reports all funded projects to the cooperative's membership. By completing this application, you are giving your permission to have information about your project reported, with the understanding that specific information about individual recipients or other obviously confidential information will be protected.*
- *Except in cases of emergency, the foundation selects applications for funding once each quarter. For consideration during a quarter, applications must be received by the foundation by the first day of March, June, September, and December.*

Thank you again for your interest in the Tri-County EMC Foundation. Should you have any questions about this application, please contact Lindsay Graham at 478.986.8126.

Sincerely,

Ron McClung
Chairman
