

Operation ROUNDUP

powered by
Tri-County
EMC

small change changing lives

To Whom It May Concern:

The Operation Roundup Program is funded by the voluntary contributions of Tri-County EMC members to the Tri-County EMC Foundation. Non-profit organizations can apply for grant money to go toward community projects and needs within the cooperative's eight-county service area (Jones, Putnam, Baldwin, Twiggs, Wilkinson, Bibb, Jasper, and Morgan). Awarded quarterly, all funding requests are reviewed and considered by the foundation's nine-member board of directors. Applications are subdivided into four categories: Basic Needs, Medical Needs, Youth/Scholarships, and General Giving, and funds are awarded based on merit.

Attached is an application for funding. In completing your application, please consider the following criteria:

- ✓ The maximum total contribution to an organization per fiscal year is \$15,000. (Fiscal year runs from May 1 - April 30)
- ✓ Charitable institutions, government institutions, civic organizations, or other non-profit organizations serving the Tri-County EMC service area are eligible to apply.
- ✓ Applications must be for specific projects or needs. Applications for contributions to an organization's general fund will not be accepted.
- ✓ Organizations DO NOT have to be a member of Tri-County EMC to apply.
- ✓ The foundation reports all funded projects to the cooperative's membership. By completing this application, you are giving your permission to have information about your project reported, with the understanding that specific information about individual recipients or other obviously confidential information will be protected.

Thank you for your interest in the Tri-County EMC's Operation Roundup Program. Should you have any questions about the application process, please contact me.

Sincerely,

Anna J. Smith
